## JOIN THE SOCIETY!

Founded in 1979, La Société des calligraphes de Montréal is a non-profit organization whose goal is the exchange of ideas and information amongst professional and amateur calligraphers as well as with artists in related fields.

Through its activities, the Society aims to make calligraphy known to the public and encourage its members to attain a high level of competency.

## MEETINGS

From September to May, the Society organizes meetings, workshops and activities. Invited guests – calligraphers, illuminators, or artists from related disciplines – share their experience in the fields of letter making and bookmaking. Meeting dates and activities are announced on the website and by mail/email. Meetings are usually held at:

MONKLAND COMMUNITY CENTRE  
4410, West Hill Avenue (NDG), Montreal

The annual general meeting is held in May every year, and members hold elections for the administrative board. The board elaborates the rules of the society, assures its proper functioning, and organizes activities.

Volunteers are always welcome!
